Marshfield Beach rules:

No Alcoholic beverages , glass or trash, unleashed dogs, fires, camping, dressing and undressing, power boats or jet skis within 300ft., diving off the jetties and smoking, cooking permits are available from the Fire Dept.

All bathers should obey safety orders of lifeguards including use of rafts and floats on offshore wind days and dangerous surf conditions.

I hope everyone has noticed the dune restoration projects at Green Harbor and Rexhame. Beach grass is brittle and easily broken if stepped on and the plant immediately dies. It is essential to Marshfield Beaches that we maintain the dunes with fencing, planting beach grass and other plants for the purpose of preserving the beach as a natural protective barrier, so we ask that everyone stay off the dunes!

Anyone walking their dogs should be reminded that all dogs must be leashed at all times. Dog owners should bring a bag to pick up after their dog. Beach goers should also bring a bag for your trash the Town does provide barrels at the entrances but we need your help to keep Marshfield's Beaches clean, Please don't use the barrels for your household trash it is a \$300.00 fine. Don't forget the trash you leave today is the trash you'll be swimming with tomorrow!
